

# Christmas Greetings From Myrrh

It's beginning to look a lot like Christmas! And as we look back over the past year we are filled with a sense of wonder and thanksgiving for all that God has accomplished through us for the kingdom. From mission trips to concerts, new book projects and CD's, God is allowing us to live out the meaning of our name and we are humbled that *"wherever we go he uses us to tell others about the Lord and to spread the Good News like a sweet perfume"* (II Corinthians 2:14). The Lord is leading us to branch out in ways we never dreamed possible and is continuing to use our ministry to spread the oil of joy through contemporary Christian music, and to be a balm of hope and peace to the weary and brokenhearted.

## Project Romania Update

During our ten days in Romania, we covered over **2200 miles, gave 12 concerts, and ministered in cultural centers, churches, orphanages, villages, and even a prison!** Most of these people had never heard the gospel before, and in one such village a local missionary had been working for 3 years and had only led 4 people to the Lord. The night we were there, God's spirit moved in power and 67

people gave their lives to Christ for the very first time!

We were also the first Americans ever allowed inside Romania's maximum security prison. And at the end of our two hour concert, 96 of the 98 men present accepted Christ! And of course, no trip to Romania would be complete without ministering to the orphans and gypsies.

All in all, we are thrilled to report that **over 500 people gave their lives to Christ during our time in Romania.**

We couldn't do what we do without your financial support and the intercession of our Prayer Warriors. Each of these trips cost anywhere from \$10,000-\$15,000 (above our normal operating expense costs) and if you aren't currently a part of either team, would you **pray about what part God would have you play in bringing the gift of Myrrh to the world?**

## More About Myrrh

---

This year has absolutely flown by, as each of us have been pouring our time into various projects.

**Bill** is currently working on a new violin CD which will feature favorite pop songs that have a strong Christian message. He is also getting ready to start offering a music workshop for church musicians, which will include teaching in worship leading, improvisation, and technique. We are also planning to shoot a violin "How-To" DVD in January.

**Jeanine** has just released a Living Your Faith Teaching Series: a collection of her teachings from various ladies retreats. Additionally, she has recently finished her *Family Heritage Prayer Journal* and is getting ready to collaborate with Brienne on a book about our testimony (something people have been asking about for years).

**Brienne** has recently sent her first manuscript to a major Christian publisher, and is expecting to hear back any day as to the publication date. This past February she decided to go back to school and is currently double majoring in both Business Administration and Biblical Studies through the distance learning departments of Olivet Nazarene University and Moody Bible Institute. She is, however, hoping to move on campus at Moody in the fall, to complete her undergraduate work.

**Heather** graduated from high school this year, and has been filling her time with music and song writing. In November she went out to Los Angeles to record her second solo CD, and is also working as a vocal coach for a music academy in Oswego Illinois. After the life-threatening illnesses she experienced last year, it has been wonderful to see her so active again.

As a group, we are going through a transitional phase as we determine exactly how everything is going to work now that the girls are finished with high school and pursuing their own careers and ministry. But we're excited, because we know God has some wonderful things in store for us, it's just a matter of His perfect timing!

### From Murks to Myrrh: A Testimony of Transformation

*"Honey... we've been in... an... accident." They were the words every wife and mother dreads. My heart in my throat, I forced myself to speak. "Where are you?" I asked. "I don't know" came the reply. Then, the phone went dead.*

On December 7<sup>th</sup>, 1999 life was forever changed for the Murk family; in an instant, their world had come crashing down as everything they held dear was stripped away, leaving only their faith to sustain them. Join Bill, Jeanine, Brienne and Heather as they recount their story of a head-on collision with a semi-truck. Listen as they share how God has worked miracles in their lives and carried them through on-going challenges. Their powerful testimony of hope and healing will both uplift and inspire, as you find yourself drawn into God's presence and experience the transformation of *Myrrh*.
