Myrrh & Bill Murk

A Tribute to Freedom & A Call to Vote

A Radio Single and Music Video from the Group Myrrh

Just when you thought patriotism was beginning to fade, the up and coming music group **Myrrh** has produced a compelling musical statement on their latest CD, *Bridge*, affirming their commitment to God and country. *We Stand United*, the first single from this brand new album, lyrically draws from some of the ideals embedded in the foundations of our freedom such as personal integrity, brotherhood, and a strong belief in God. Musically, it has an undeniably powerful “Americana” feel, reminiscent of well-known ballads such as *God Bless the USA*.

In addition to the single, In Tune Music is releasing the patriotic music video, *A Tribute to Freedom*, to Christian and secular television. This power-packed audiovisual montage will reach into the hearts of all Americans, inspiring trust in God and patriotism for our country.

The writer of the song, *We Stand United*, is also the lead singer in this anointed group. On September 11th, 2001, fourteen-year-old Heather Murk penned a poem called “*We Stand United*,” which she recently set to music for Myrrh’s newest album, *Bridge*. Heather is no stranger to suffering, as she has spent the last five years recovering from injuries resulting from a head-on collision with a semi-truck. Her personal struggle has not only led to the increased presence of God in her own life, but it has manifested itself in a powerful anointing on her music.

Bill and Jeanine Murk, parents of Heather and older sister Brienne, make up the remaining members of the group. Together, they have been sharing their vocal and instrumental gifts in a full-time music ministry worldwide for over twenty years. They also have two other albums currently being released to radio: *Closer*, a worship album featuring Heather’s voice and Bill’s violin, and *All Is Well*, a Christmas album.

“We feel the time is ripe for a new movement of God in this country, and we want to be a part of it in any way we can and encourage people to vote. Our Founding Fathers called us ‘One Nation Under God,’ and with His help, we *will* stand united,” says Myrrh.

Myrrh has hit a home run for America, just in time for the national presidential elections. “Our number one goal is that these songs and music video will be used to promote a new love for our country, renew faith in God and inspire people to get out and vote to keep our country strong.”
